

## Shoafim Program

Peulat Type: Peulat erev

Peulat Planners: Ruby, Eve, David, JJ

Date: 07-24

Time : 19:15

Location: Beit Am Aleph/tennis courts

Rain Plan?: Same thing just on the mirpesset/beit am instead of tennis courts

Goal: Make some new friends and bond as an edah

Description : A night of awesome ninja training

Method:

7:15: Intro to the night—stealthy ninja music/presentation by planners

7:25: Ninja lesson 1: Martial arts—leaders will be on the stage teaching some karate moves and giving some key ninja tips.

Split people up into groups with different counselors (tbd)

7:45: Every counselor leading a group has an envelope containing a super secret ninja mission.

Mission #1 is testing the skills we learned by playing a modified version of the game Ninja.

Same old game with some new rules:

- 1) If you make a sound, you're out (ninjas are very quiet)
- 2) Anywhere on arms and legs is game, as opposed to just elbows down
- 3) Your fingers must stay together (blade hands)
- 4) You must bow when you get out to show respect for the group

8:05: Moved to the tennis courts. Combine two groups to play a game of pinnie tag.

8:25: Closing ceremonies (give every kid a "belt" aka a bracelet) and do rod hayom

Supplies: must all dress in all black, flag f

Sikkum: We want every camper to learn something and know a bunch of new people
