

Peulat Erev 6/28:

Goal- the campers will work as a team (team work) and will know how to use their strength and weaknesses.

where:

Migrash tzad A/ BAG/ (if raining)

activity:

the campers have arrived to the SHOlympics!! they are going to compete as teams against each other to get the most points and win the golden madel!

the stations will be spread around the area and each madrich will run one station.

the campers can decide what station they want to do each time (they can do the same one over and over) to get the most points. for each win, the campers will get one point.

at the end, we will have an ending ceremony where each team will preform with a short skit.

names for groups:

BAA

Cheder Ochel

Alpine tower

BAG

Agam

A side Gazebo

Marp.

stations:

balloon basketball:

the team would have to compete another team (so they have to wait for another team to arrive).

its like a regular basketball only with balloons. insted of a basket the teams will choose one camper to be their basket- he will stand at the end of their area and will hold a toothpick.

each team will try and get the balloon over to their side so that their basket can pop the balloon.

once a balloon was popped, the team gets a point. first team to get to 3 wins. the campers can't hold on to the balloon, they can only pass it by hitting it.

bucket water:

there should be two teams for this. we put two buckets filled with water on one side and two empty ones on the other. the campers would line up in front of their buckets and will have to pass water from one bucket to the other using only sponges. once the first camper went, he will pass the sponge down to the next camper in line. first team to get to the mark for the water wins a point.

sneezing:

two teams competing. each team will choose 4 volunteers. they will get tissues and will have to twist the tip of the tissue and start tickling their nose. the first team to get three sneezing wins a point.

puzzles:

this can be done by one team or more at a time. each team will get puzzles. for every 4 puzzles that the team solves they get 1 point.

ending ceremony:

the teams would have to come up with 30 sec- 1 min skits/ cheers for the ending ceremony. the team that has the best one will get 2 points.

after the ending ceremony we announce the winners-

first place: french toast sticks

second place: salad bar

third place: Mexican lasagna
