Title: Peulat Erev – Season 2 episode 2 (peulah called Statues)

Planners: Maddie and Carmi

Goal: Get closer to the girls/boys in the bunk

Materials: things you bring in a laundry bag

Place: Beit Am Bet

Time: 8:30 pm

Special Mashehu (something): laundry bag full of random things from the bunk

Process:

1. Sit in circles by bunk, spread around the Beit am Bet
2. Counselors sit with your campers
3. Maddie and Carmi explain rules
4. Play!

Steps:

1. We will read out a scen. Once we have read that scenario, you will then have 4 minutes to create a scene using the people in your bunk and the props you have brought. Once that 4 minutes is up, we will yell FREEZE! and you must freeze in that scene. So for example, if the scenario were 'karate class' we would have 4 minutes to plan, and then when FREEZE! was called, we would freeze like statues.
2. You will remain like statues while Hillel comes around and comments on each statue scene. Make these funny and clever, and whatever you do, DON'T MOVE!

Scenarios:

- Beach
- Slumber party
- Eating in the chadar-ohel
- Ski resort
- Monday morning construction site on the moon – for this one, you must pick one person. This person (and this person only) MUST (yes, must) be moving at all times after FREEZE! is called. No one else is allowed to move.
