

Shalom Chaverim,

Kayitz 2013 is going great! Believe it or not, we are already planning for next summer.

Price Freeze!

We are once again offering a discounted price for those who register early. If you enroll by October 1, 2013, you will pay 2013 regular tuition prices for summer 2014. Camp is running at capacity and we want to ensure that your child has a space, so please act quickly.

We've Made it Even Easier - Enroll Online Now and Receive A Bonus Gift!

As a bonus, if you enroll while your child is at camp this summer, you will receive a fabulous Ramah blanket with the 60th anniversary Camp Ramah in New England commemorative logo (one per registered camper). See the photo below! All you need to do is sign into your online account and register (instructions below the photo). You must either pay the \$900 deposit by credit card or bring a check to camp. If you are picking up your child(ren) at camp, stop by the *Misrad* (office) to sign up and get your blanket(s). If your child is a first session camper flying home from camp and you register by July 17, we will send the blanket home with your child. We will do the same for second session campers who register by August 16. Deposits are refundable until December 31, 2013, so there is no risk!

Registration Instructions:

To ensure that you receive the “price freeze” for each camper, you must complete the following steps:

- ◆ Click the “CampMinder login” link at the bottom of the home page of our website, www.campramahne.org, to log into your online account.
 - Beneath the “Online Community” and “Forms Dashboard,” you will see a “Camper Application” link next to a green button.
 - **Be sure to specify that this application is for the 2014 season** in the drop down menu.
 - Select which child you would like to register.
 - To be eligible for the Early Registration price, you must complete an application for each of your children that will be attending in 2014. Most of the information that you have previously provided will roll over to this application to make the process even simpler!
 - Please be sure to click Submit Application after navigating through all of the pages and providing the requested information.

- ◆ Applying now gives you the early registration price and reserves a spot for *kayitz* 2014. However, for your child to be enrolled, you must complete the registration process online in the fall. You will receive an email with instructions. It is essential to keep up with required forms and information.

- ◆ Payment in full or payment arrangements must be completed by **March 1, 2014**. You will receive a statement in October detailing the charges and the balance due as well as choice of payment plans.

- ◆ Enrollment is contingent upon confirmation of acceptance.

**Early registration savings may not be applied to staff families or mini-session campers.
Deposits are refundable through December 31, 2013**
