

Tiffilot for Friday July 22nd

(Do Baruch Sheamar, Ashrei, Az Yashir, Yishtabach, and El Baruch **silently**. Do Or Chadash in **one line**.)

Right before Ahavah Rabbah break into groups (count off by six. Each group one or two counselors)

-Have everyone go around and talk about 1 thing they love in their life. (It can be silly)

-Then ask the difference between love and deep love. (Take 3-4 answers)

-Ask them about something they have a deep love for. (Push them to be serious)

-Then explain that G-d has that sort of deep love for everyone in the circle and all of the Jewish people in general.

-Hand out 2 pieces of paper to each person. Ask the campers to write one thing G-d does for them that shows his deep love for them on the first piece. Then, on the second piece, ask them to write one thing they do to earn that deep love from G-d.

-Ask them to either keep the pieces of paper in their pocket or on their night table as a reminder of the blessings G-d has given them and of what they have to do to earn those blessings.
