BIRKOT HA SHACHAR RELAY RACE:

The set up: 4 teams on one side of the baseball diamond. on the other side there will be cut outs of all of the prayers in english.

THE RULES OF THE GAME: Each team will send one member at a time to collect an individual line from the Birkot ha Shachar, which they will bring back to the group to be acted out. The group will then act out that line. whoever gets through the entire birkot hashachar first wins. (keep cycling campers) This part (i imagine) will take about 17 minutes. if it doesnt blame gabi.

FOR GROUPS THAT FINISH: they will begin the next activity. THE NEXT ACTIVITY: illustrating the birkot!

Each team will be assigned a bracha and will be given assorted artsy farsty gear and poster board to illustrate the bracha.

AFTER ILLUSTRATING: we will present. all of this should take about 10-15 minutes. again, if prediction is wrong, the key perpetrator is gabi.
