

Cha Cha Slide: Davening Style

We're gonna daven...daven
 Everybody clap your hands.
 Clap, clap, clap your hands.
 Clap, clap clap your hands.
 All right now we're going to do the basic steps.
 To the Barchu, take a bow now y'all.
 With your knees this time, bow low to the ground.
 Davening let's go. Let's pray real smooth.

Moving on.
 Do the Shma, with your hand this time
 Put it on your face, right hand let's go.
 Davening let's go. Daven right now y'all.

Now it's time for the Amidah.
 To the back, to the front.
 Take a bow now y'all.
 Kedusha this time (holy), Kedusha this time (holy).
 Bow to the left, bow to the right.
 Bow to the front.
 Go up on your toes.
 Go up on your toes.
 Go up on your toes.
 Let's pray real smooth.

Let's wrap it up.
 To the back, bow to the left now
 Bow to the right, to the front
 Three steps to the front. Now up on your toes.
