

Shabbat Devarim

Theme—Tradition/ L'dor V'dor

Connection to the Parasha—In D'varim, Moshe is passing the torch and telling the Israelites how to carry on the tradition...

Hachana L'shabbat—

Ilana will talk about how camp is special because it is full of traditions. Perhaps, tell a story about an old tradition from camp. Connect to D'varim and how it tells the importance of tradition. Maybe we would want to start a new tradition—a Shabbat Song, a way to walk to the grove... etc.. (it would be nice if we could dismiss from the Moadon to the Grove while all singing a Carlebach niggun in unity..)
