

Peulat Shabbat Skits

Counselors act out the skits and the campers have to talk about how the characters are feeling, what they said that makes it seem that way

-Also, talk about what faces the counselors should be making and have everyone try the facial expressions

Feel free to talk about everything and discuss solutions (if you need more time)

Counselor 1: He is so clumsy! He should have been watching where he was going before he messed up all my stuff.
