

Peulat Erev June 24, 2014

Objective:

It is our hope that during this Peulat Erev that we can acquaint campers with A - side, start building a cohesive and unified edah, and introduce campers to some basic Hebrew.

Structure:

7 minutes / station, 3 minutes / stations

This Peulat Erev is divided into six stations with an activity at each station. Each station will have a madrich present to lead the activity. Each station activity is 7 minutes along. Please set a timer as we are leaving 3 minutes to get from station to station. In total Peulat Erev should be an hour. ** If you feel comfortable use some basic Hebrew words with the campers. Good opportunities are in transition between activities and starting and stopping an activity.
