19. one utensil meals
20. college t-shirt day
21. team t-shirt day
22. backwards day
23. MORE NEEDED.....

some need to be put in the first week.....

As happened last year I will $\frac{1}{2}$ plan the first day of
intersession. I will ask that you split in to committees to
plan the night and day two. In that manner some of you
will have the different portions set aside to plan with your
staff for session 2.
