

P. Shabbat Week 6- Hakuna Matata

With Machon:  
Sing through Hakuna Matata

Just Amitzim:

Station 1:

Shabbat is supposed to remind us of the drama of creation. Abraham Joshua Heschel said: "Our goal should be to live life in radical amazement. ....get up in the morning and look at the world in a way that takes nothing for granted. Everything is phenomenal; everything is incredible; never treat life casually. To be spiritual is to be amazed."

On Shabbat we are given an opportunity to do this with no distractions from technology, work, etc.

Cloud watch. Everyone find a cloud and describe what it looks like.

Station 2:

Decide which activities are done on weekdays and which are done on Shabbat. Place them under the correct column.

Station 3:

Have a camper pick an action out of the cup. Have them act it out. The other campers have to guess if the action is for Shabbat or for weekdays.
