

Ideas for Activities to do Around/Daling with Tfilot

Sarah Graff

- I. Create large Tziziot at the corners of your Bet Kneset – marks the “tent of Tfilah” – out of large heavy rope, with study of proper way to tie tziziot and each bunk or two doing one corner.
- II. Daven as individuals to Barachu (private wake up prayers) then come together as chazan – sings real loud “Barachu” – everyone responds “Baruch...Ham’vorach” as they walk to Bet Kneset – where a nigun is being sung.
- III. Make musical instruments – to use with Psalm 150 (Kinor, etc.) play them
- IV. Decorating – theme study of your Bet Kneset – see Shelly for educational project idea
- V. Create an art project in which each bunk group illustrates one of the blessings of Amida – create a 20 panel Amidah quilt for the Bet Kneset – or parochet of Ark.
- VI. Name that service – a way to teach basic Nusach of each Tfilah – through correct tune of Hatzzi Kaddish and/or Amidah
- VII. Tfilah Society – After Peulat Erev opportunity for every camper and staff who want to learn a new skill/prayer to learn it with a variety of teachers from among camp staff. Then use new skill. Could also use oldest kids to teach younger Edot.
- VIII. Daven with a Tfilah mentor – find about 35 people – each of whom will daven 1-1 with a kid. Do basics. Shmah, Amidah – talk about meaning, prayer, etc.
