

## Take Home Project Peulat Erev #1

1. Split Edah into two groups

2. The goal of these two peulat is to understand the importance of asking questions. (30 minutes)

One group will play a game with Davey. Davey will sit at the front with the kids sitting down facing him. They will ask him questions (one at a time) to try to figure out who Davey pretending to be.

The other group will play a game with Ilana. The group will be then split into two groups. They will sit in a circle and go around asking the person next to them a simple question (ex. What is your favorite food/color/animal?) After we go around the circle completely, we will go around the other way and they have to ask the same questions and use the same answers as the time before.

3. Introduction to the project with skit (10 minutes)
