

## Peulat Shabbat

Goal: Share and discuss Jewish identities and personal religious journeys

1. David, Abraham, and Andrew will share their Jewish journey in front of the entireedah

Questions they should address:

- do you believe in God?
- What challenges do you have with Judaism?
- How do you plan to overcome/deal with those challenges?
- What do you love about Judaism?
- How do you contribute to the Jewish community?

2. Break up into groups

Counselors should participate and feel comfortable stating their opinion. Here are extra questions in case conversation dies but if not just let the conversation flow.

3. Lead discussion and address same 5 core questions listed below:

- do you believe in God?
- What challenges do you have with Judaism?
- How do you plan to overcome/deal with those challenges?
- What do you love about Judaism?
- How do you contribute to the Jewish community?

\*Extra Questions:

- Is the Torah applicable today? If so, how? If not, how can you apply it today?
- Is the structure of the Jewish community strong enough to last?
- What can you do to help the Jewish people endure?
