

Peulat Cohort : Lashon Hodesh

Definition and discussion of Lashon Hakodesh and what it means. (5 min)

Transition discussion into how lashon hakodesh is important when you are the oldest edah in camp. Talk about how being in Nivonim means that little kids look up to you and the words you use are influence them.

Role Play activity:

Difficult camper staff situations where you need to choose your words wisely.

1. Camper has not showered in a week
2. Camper is being left out of an activity
3. Camper is always late to meals and is easily angered

After each role-play have the campers pick out things about the role play that were good, and than talk about things that could have been done differently.

We ended with a short summarization talking about how there are many different ways to approach similar problems and while there is no right way there are some ways and manners of dealing with things that are more effective than others.
