

Pillowcase Dress-Up Adventure

Tuesday, 7/9

Goal: Unite each bunk through the act of sharing one's cool, personal items in an effort to create the most stylistic representation of whatever the counselors say.

The Story: Rafi's First Amidah

The Roles: Two counselors per tzrif needed with the kids; the rest are judges. Watch your campers, guide them with what they're dressing up as.

Location: Tzad Alef tennis courts, (tbd stage area)

How it Works: Each bunk will dress up as a character (tbd). The deemed judges will choose one bunk's creative interpretation of the character, and that character will then have an integral part in the telling of the story.
