Ask if they do the following:

Have dinner with their families on Friday night.

Eat challah on shabbos.

Light Shabbos candles.

Pray at synagogue on Fridays.
Stop using electronics / working on shabbos.
Hang out with their friends on shabbos
Do havdallah with their families

Close this portion talking about how we all love shabbos equally, even if some of us are more religious than others.

Harry STATION 3:

Review our schedule for kabbalat shabbat. Be engaging. Ask the campers if they remember doing these activities and what they like about these activities.
