

Sol 2009

Solelim last peulat Shabbat 8/15

Shamor V'zachor Ramah

Part 1: Discussion

Campers will be divided into five groups with one counselor and they will discuss how they can shamor v'zachor Ramah.

Questions to discuss:

-highlights of the summer

-favorite peulat tzrif, peulat erev, meal

-funniest memory

-In the Torah, G-d gives us ways to shamor v'zachor Shabbat- ways of keeping Shabbat? What are ways that you can shamor v'zachor camp?

Examples: say sh'ma every night at home, email your friends, say brachot before and after eating, go to Shabbat services at home, learn more about Israel, stay aware of what is happening in Israel

Next, a couple of kids in each group will present a couple of their favorite things that the group discussed to the entireedah.

Part 2: Jeopardy

Campers will stay in their same groups, and that group will become their jeopardy team. A team will pick a category and a point value and an answer will be read to them. They then have to give the correct question. If they get the question right, then they get to keep the card that the answer is written on. That is how the points will be kept track of. The winning team will get candy. (Whatever candy we give out earlier that morning with the Torah questions.)
