

## Solelim Silent Auction!

Everyone will be sitting by bunk and each bunk will get 1,000 shekalim (split up into 4 100's, 8 50's and 10 20's). Staff will have to pass them out to each bunk!

There will be staff members who will announce the clues and winners and others who will collect bids and get people quiet. There should also be staff sitting with the bunks helping them.

For the first prize, start the bidding at 20 NIS and for each prize after start the bidding a little higher. For example, for the second prize you can start at 50 NIS and then 60 NIS for the next one, etc. Of course, after you start the bidding at a certain prize the bunks that want the prize will have to bid higher in whatever increments they want (depending on how many shekels they have left) and when no one else bids the bunk that bids the highest gets the prize.

**Remember to use as much Hebrew as you can!** Announce the prices in Hebrew and tell the chanichim to bid in Hebrew (so they can learn the numbers in Hebrew). Also, when the bid is about to close you can count 5...4...3..2...1 in Hebrew. Think of anything you can do in Hebrew!

### Clues and Prizes:

**Clue 1)** Sing "We are the champions"

**Prize:** Ropes challenge

**Clue 2)** Lions, Tigers, and Bears...oh my!
