Part 1: Play

1: Wow, we are almost there!!

2: There? Where is there?

1: We are almost to the land of Israel!

2: Wow, we have been going through the desert for 40 years, and have gone through 42 different masot!! I can't believe that it is almost over!!

1: Whether it be traveling through the water or the desert, we have made so many different stops to reach the people that we are now.

2: What do you mean?

1: Well, as we have gone through our journey, we have grown as the people that we are now!

2: Isn't that like those campers, at Camp Ramah?

1: Yeah! They have done so much, whether it be boating, or going to six flags, or going to swim in the agam!

2: So all of that too, has helped them to reach the people that they are today!

Part 2:

Go through the pictures and talk about the different things that we have done. See the people, and the different impacts that they have made.

Go around in a circle and get everyone to say one nice thing another person in the circle has done for them. (This is just like the tribes of Reuben and Gad. When they wanted the land outside of Israel to be with moshe. Kindness.)

Compare the pictures of them with the pictures of the israelites entering the land of Israel. Compare it to the different things that we have done.

Part 3:

Do the skit again, to tie it all together.
