

A-SIDE TRIPS

Take your pick. If you have other ideas, you need to tell me to make sure someone else isn't doing it.

I numbered them but feel free to pick and choose anything.

The "blue" trip book is in the resource room and in your bunk (or it will be soon)

If another edah has a trip you are interested in, make sure they are not doing it.

ILANOT TRIPS

1. blueberry picking, lunch at Quabbin and hayride, hike, movie. Make pies or something for Shabbat or Nursing Home or food pantry with the blueberries. Talk to Melanie about this. She did it last year.
2. State Line potato chip tour, Forest park lunch and train ride, petting zoo, Old New-Gate Prison, movie (I love to go to the movies!)
3. Roger Williams Zoo, Rhode Island

6. Fun Zone in Conn., Gillette Castle
7. Hartford Science Museum, Fun Zone
8. Worcester Science Museum, Purgatory Chasm (great place to eat lunch and climb), movie
9. Basketball Hall of Fame, Forest park for lunch and zoo, movie

The reason there are so many movies is because the other two edot on A side will be going roller skating or bowling.

There are also miniature golf places in the area (E. Longmeadow).
