We will judge this on Friday at breakfast

**Second Place:** A trip to Rondeau's & a day of having your Rosh, S'gan Rosh, and Josh meltz your table (each one will meltz one meal that day)

**First Place:** The chance to plan **your ideal day at Camp Ramah!**

The winning tzrif will sit down with Josh to plan this day.

The only restrictions:

The tzrif must be at t'fillot & meals

The day's program cannot involve leaving camp farther than going to Rondeau's

There must be a program of events: the bunk cannot choose to just do *nothing* all day.
