

A Few Notes:

* Thursday night is not a good night to have a program. The staff likes to go out Thursday night and attendance is never good Thursday. This is the same for Sat. night. The staff goes out to Friendly's.

* The staff was really happy w/ an upgraded cable package (as opposed to the new sports/local channel package - only 5 or so stations came in)

* A few programs were not able to run due to lack of time so maybe they would be good for next year:

- coffeehouse
- edah reunions
- dance dance revolution
- root beer pong
- townhall
- yoga, pilates, or other aerobic classes

* a few programs always run:

- MON night: ART night 9-11
 - call maintenance to ask them to bring food
- THURS night: Israeli Dance
- FRI night: TISH
 - make brownies (Dunkin thines, chewy fudge family style brownies or/and Dark Choc Fudge (5 boxes) and add 4 bags of Sams semi sweet choc. chips, get 5 eggs from Bruce)
 - lemonade mix is w/ supplies
 - set up tables, green table clothes)
 - make sure to remember to turn on lights!
