

Camp Ramah in New England

2005 Specialty Department End-Of-Summer Report

Department: Staff Programming

Completed by: Emily Rosenfield

Please complete the following sections with as much detail as possible. Please feel free to attach additional pages, typed notes, etc. Please also feel free to type up your answers to these questions and e-mail them directly to: joshe@campramahne.org.

I. Please give a brief description of your specialty department – your program, facilities used, number of staff members, etc.

Staff programming: planning activities for the staff, mostly @ night (9:30 - curfew) but also during the day (ie. perek zayin). Such as staff dances, movie nights, etc.
A few programs always run. (see other sheet)

II. Please provide a description of an average two-week curriculum in your department. Please note any modifications made dependant on the participants' ages.

Calendar is included in blue folder

Thurs/Fri morning after breakfast can talk to Bruce about getting food for the week.

16521

III. Please describe any contributions made to camp by you and/or your staff, outside of the teaching of your chug.

IV. Please provide a complete inventory of your equipment. What do you have, and where is it stored?

Supplies are stored in closet in staff lounge

Table cloths (2)	oil
3 cookie pans	PAM
3 nice serving plates	Small pot
3 brownie pans	2 pitchers
one pot	Tin foil
spatula	2 frying pans
song sheets (for Tish)	2 large serving trays

V. What equipment and/or supplies do you feel is old/broken and needs to be replaced or re-ordered? What new equipment/supplies would you like to have ordered for your department next year? Please differentiate in your list between equipment you feel is ESSENTIAL and what would just be welcome improvements.

Staff Programming 2005

VI. What vendors do you use to order your supplies? (Please include whatever contact information you have -- including name, phone number, e-mail address, etc.)

VII. How many staff members do you feel are necessary to run your department?

1

VIII. What improvements could be made to your program next year? What would you need for these improvements to happen?

A locked cabinet in the Ivrit kitchen would be very helpful. People steal the supplies there ~~all~~ even though they're labeled not to touch.

IX. Are you interested in returning to camp next year? If not, who would you suggest as your replacement?

Yes, not in this capacity though.
