Subject: cool 2nd session trip ideas

I was looking in 2012 visitors guide to this region.

Here are a few ideas:

Berkshireeast.com (new england's #1 canopy zip line tour)

No clue if this is fun: Springfield museum has lego castle adventure springfieldmuseums.org

There are a lot of companies which do tubing tours (8 miles or so) in Deerfield. Here is one: <http://drportage.com/>

Hope this helps. hb
