

## **Payment Options**

We thank you for your prompt attention to your tuition bill and offer 3 payment options for your convenience. You may:

- 1) utilize eChecks (including for payment plans),
- 2) mail a check to our business office (Camp Ramah, 1206 Boston Providence Highway, Suite 201, Norwood, MA 02062), or
- 3) contact the office to process credit card payments (although we would appreciate if you would consider using an eCheck account or mailing a check for your payments as the savings in fees for the camp is significant compared to the credit card transactions).

**In order to set up the eCheck payment option**, please log into your CampMinder account and click on the "Financial Management" link. Under eCheck accounts, please click on the "Add an eCheck Account" link. Please enter your "Bank Routing Number" followed by your "Account Number." Please make sure to enter your address and click "Save." You can log into your account at any time to make an eCheck payment without a processing fee.

**If the "Financial Management" link does not appear in your account**, the office is still processing your camper's application. Our Finance Associate, Ken Milgram, can then manually enter your eCheck information in the office and process payments for you.

Please contact Ken at [kmilgram@campramahne.org](mailto:kmilgram@campramahne.org) if you need assistance with your eCheck account, to process a credit card payment, if you would like to set up a payment plan, or if you have any other financial questions.

*Todah rabbah!*
