CAMP SEASON—2023

Dear Camp Ramah New England Families:

Camp Trucking has been serving camps in the eastern part of the country for 49 years. This summer, we are proud to provide camp luggage service to and from Camp Ramah in New England for families who live within 60 miles of one of the centralized luggage sites listed below. We hope to enhance your camp experience this summer by providing you with the highest quality baggage service possible.

We arrange to pick up your luggage at any of the convenient locations listed below and deliver the luggage to camp in June or July. We then arrange to deliver the luggage back to one of the centralized locations listed below after each camp session. **If you would like to register to ship your luggage to and from 2 different centralized Ramah locations because you will be on vacation before or after camp, you are welcome to do so.**

This year, Camp Ramah in New England has included the cost of our luggage service in your tuition price. To register with our service, you must enroll directly on the Camp Trucking Website at www.camptrucking.com

In order to register with our service, you must enroll directly on the Camp Trucking website. We will be emailing you a discount code that can be entered in the “Office Code” section of our registration page.

In order to provide you with the best centralized luggage service possible, **we have an application deadline of May 20th for First-Session or Full-Summer Campers and June 24th for Second-Session and Mini-Session Campers.** Any enrollment after these dates will be assessed a \$30.00 service charge which you will be responsible for. Please call our office in order to inquire about enrollment after this date at 970-949-0690.

If you have any questions or concerns, after registering, please contact our office via our customer portal which can be found on the front page of our website or at camptrucking.selfservice.vivantio.com. Our office will be more than happy to assist you.
