

“Around the World” Peulat Erev

Divide the chanichim into 4 groups:

- 1)
- 2)
- 3)
- 4)

We have 4 countries which mean 4 stops, at each country there is a different activity:

- 1) Israel- independence day marching+ forming david star on the floor
- 2) Brazil- brazilian funk+ carnival
- 3) Morocco – belly dance
- 4) Ethiopia – dancing+ jungle travel

Group 1 start with Israel, group 2 with Brazil, group 3 with Morocco, group 4 with Ethiopia.
After round 1 keep on to the next country according to the list above. In the end after all the rounds you will take your group to the first stop that you visited (for exp: group 2 going back to brazil) to perform with what you learned there

have fun 😊
