

Solelim and Amitzim Peulat Erev

Each station will last around 10 minutes. Each group will travel around in their group with their counselors to each station. Counselors assigned to groups will travel with their group to each activity

Station 1: Banana grams- This station will be playing blown up banana grams. Split up the group into teams and see how many words they can spell out using the tiles.

Station 2: Mad libs- The group leader will have a set of junior mad libs and a pen. All the campers sit in a circle and go around and each camper chooses a word to add to the mad lib. Once the whole story is finished read the story out loud

Station 3: Bucket and water station-This station will meet right outside of the beit am gadol. 2 buckets will be set up filled with water and sponges will be in the bucket. The group will be split into 2 groups and it will be a relay to see who can get the most water in the other bucket.

Station 4: Pin the hat on the rosh- One at a time the campers will be blindfolded, and they must put a party hat on Shev or Judy

Station 5: Ice breaker and name games-

Start off by playing Rabble dabble name game.

Make an inner circle and outer circle. Using the question prompts below ask the questions. After the question is finished have the outer circle move one place to the right so they have a new partner.
